Willie Itule Produce, Inc. may offer credit terms to your company based on the attached application. Please fill it out completely and return the original to your sales person or by mail to the office. Incomplete applications will be returned to you. We will review your application and check your listed references. If your account is approved for credit, we insist upon strict adherence to the offered terms. Should you exceed the approved terms, your account will be placed on a COD basis, until you are back in compliance. If you routinely exceed credit terms, we will revoke your credit status and insist upon payment at the time of delivery. If collections become necessary, your company will bear the cost of those collections. New businesses are asked to establish a credit history with us by paying C.O.D. New businesses must sign the personal guarantee. Please be aware of our policy regarding insufficient funds checks: Any bounced check will result in the assessment of a bad check fee. We will re-deposit any check returned to us as "insufficient funds" and assess the bad check fee on your next invoice. We reserve the right to adjust or revoke credit terms based on checks returned to us by the bank.
